Thanks Laura.

Jay – Region 8 is good on funding this week. We'll reassess our needs next week in anticipation of receiving some CA applications.

Joe/David,

We are good for START and ERRS through next week. We will have Cooperative Agreements coming in starting next week so will need to get funds by mid-October (hopefully). - lw

R6, R8,

Sorry for the short fuse. Request for information came in from OEM wanting to know if your respective region can sustain operation through next week with your current funding.

I greatly appreciate your input if possible by 10:00 am or earlier tomorrow morning?

I already have R9's feedback, so thank you!

Have a great evening ALL!
